

## SB-HyperMotard Installation

Before starting the installation please verify the operation of the brake lights.

### STEP 1:

Per the owner's manual, remove the seat to expose the taillight... (Use 4mm Allen)

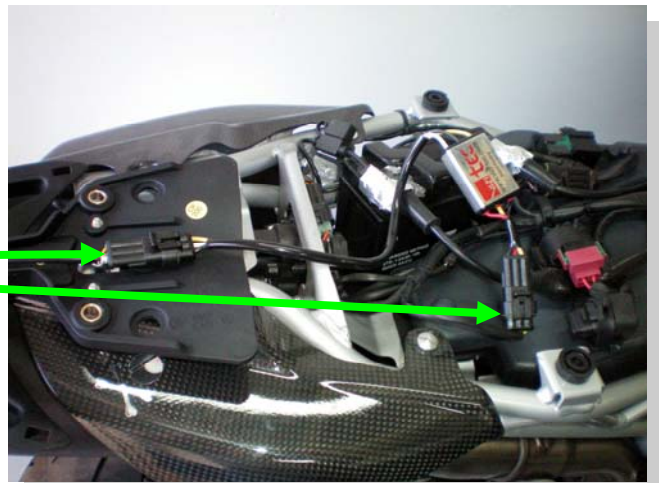

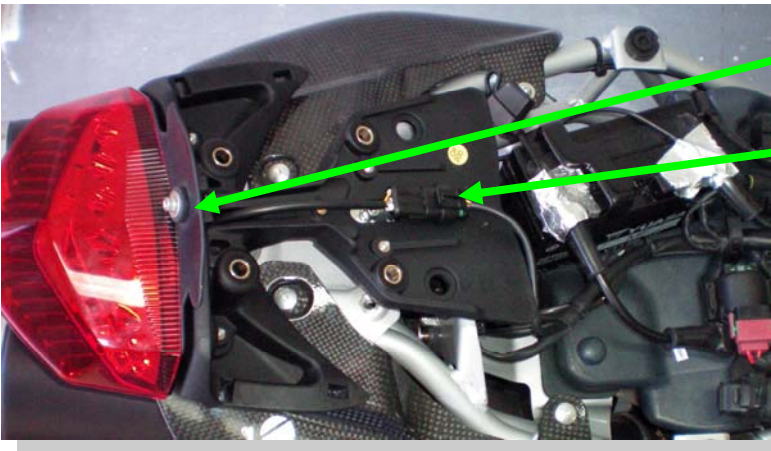

Remove the taillight assembly.  
(Use 12mm deep-well socket)

### STEP 2:

Turn the taillight assembly over to expose the 3-pin connector plug.

Disconnect this connector.

### STEP 3:

Plug the SB-HyperMotard in series between the 3-pin connector plug. Test the unit.

Vizable Technologies

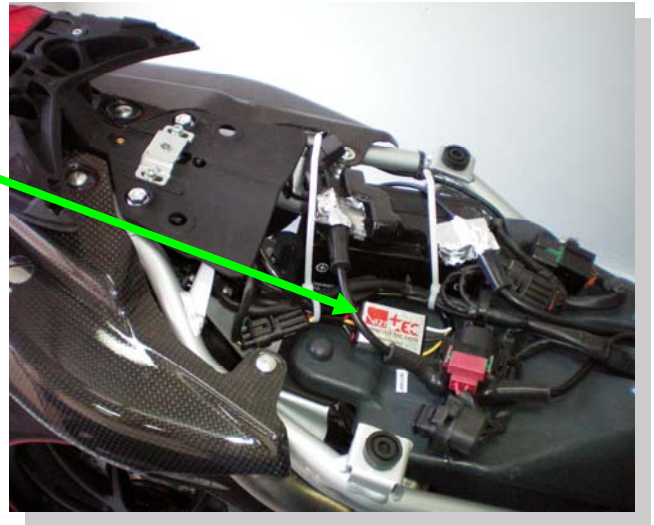

Be Seen. Be Safe. Enjoy the Ride...

## SB-HyperMotard Installation

### STEP 4:

Position the SB-HyperMotard as shown.

Secure with provided tie wraps.

### STEP 5:

Cut off excess tie wraps. Turn the taillight assembly over and reinstall. Reinstall seat.

Test for functionality. Ride it, and tell all your friends about us!
